Did you remember to;

- Use pencil?
- Label assignment with name, date and lesson number?
- Work down the left side of paper only?
- SHOW WORK for computational problems?
- Have your assignment checked?
- Make corrections in red down the right side of paper beside the incorrect problem before looking at the solutions manual?
- Make any final corrections in black after checking the manual?
- List problems you still want to see worked in class?
- Get a parent signature on your checklist?
- Commend yourself for doing such a thorough job?

If not please try again.
