

Geometry Assignments – Q1 Week 1

Please print this assignment sheet out. Bring it to class with a parent signature on the due date.

Use the checklist to insure full credit for your work.

Section	Problems to complete	Due Date	Completed (students initials)	Corrections see directions (parents initials)	Problems to review in class
Consult course documents online	Read 1)“Guidelines for Math Coursework” And 2)course syllabus	8/18	Student signs and initials bottom of both documents after reading or sign below *	Parent signs and initials bottom of both documents after reading or sign below *	NA
1.1	2 – 44, evens 48 – 54, evens	8/23			
1.2	2 – 32, evens 38 – 44, evens	8/23			

If your assignments are not checked **and** corrected by the due date, they are late assignments. Late work will be accepted at the next meeting date (unless you have an excused absence) and will receive 60% credit-- only if it is complete with corrections.

Did you remember to:

- Use pencil?
- Label assignment with name, date and section?
- Work out problems down the left side of paper?
- Make corrections on the right side of paper beside original work?
- SHOW WORK for computational problems?
- Have your assignment checked?
- Make corrections in red before studying the solutions manual?
- Make any final corrections in black after checking the manual?
- List problems you still want to see worked in class?
- Get a parent signature on your checklist?
- Commend yourself for doing such a thorough job?

If not please try again.

*I have read and will abide by the procedures stated in the “Guidelines for Completion of Math Coursework” and course syllabus. (Student and Parent sign and date below.)
